Also the equipment you owe me

How would you like to give me the
money

For the missing items

Send me an invoice

You have the agreement

Read the numbers you owe

And Venmo me it

I don't know what you're missing
because I didn't drop off the
equipment to Kevin, so send me an
invoice for how much it is

Remove it from your account

The domain is owned by ur account

Not in there anymore

It expired

Didn't pay for it

To renew

Instead of paying for a new one, I'm
going to renew it because it's
more\$ to buy it again

Can't transfer ownership if I don't
own it

Also the equipment you owe me

How would you like  give me the
money

If ifs not rolling papers

I would also like to say u can deny
that phrase all you want

Proof will be in the pudding

I just can't beliveb you think this is
all gonna go away

What exactly is going away?

All the money you owe roll sweet.

I know your busy in Canada but as
stated in the agreement

Technically your in violation of the
agreement as that money was
already supposed to be paid

Oh am I really?

Technically I believe it was 15 days
maybe

But I know it wasn't 2 months
